

THE TOWER OF LONDON AND TOWER BRIDGE

My dearest Miss Parlow: May 3, 1935  
 Today I played at a very  
 wealthy ladies house, many of  
 the most prominent people  
 were there and I think there  
 will be some press clippings  
 from it which now will drop  
 to you. I like England and  
 everyone as been just lovely  
 to me. Next week I'm going  
 to the house of Lords with the  
 Marquess Love to my little Grandma Love Marilyn
